Dear Dawayne,

On behalf of the board of directors of the D.A.R.E. BC Society, I want to thank you and your tech team for your generous support of the program. Your help in developing, hosting, and designing our website is greatly appreciated.

In this fast paced calculating world, working with someone whose primary focus isn't just the return on investment, is refreshing. I am buoyed by your commitment to excellence and your thoughtful understanding of the D.A.R.E. mission and how it connects to our online needs.

We sometimes only hear the complaints and forget to compliment those deserving acknowledgment of their good work. I want you to know the board and I acknowledge the great work you do for D.A.R.E.

It is a sincere pleasure working with you.

Sincerely,

Louis Cotsiris
President
